Dear Governor DeSantis:

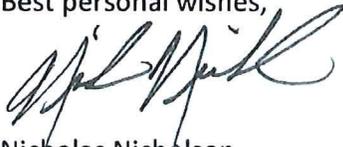

I recently received correspondence stating that, if I wish, I can request that a hearing be set to determine the final disposition of my case regarding my suspension from the Hernando County Board of County Commissioners.

I have made the very difficult decision to advise you that, because I have no desire for additional tax payers dollars spent to be expended on this my case, I am officially requesting that my suspension become permanent. I do not wish for a hearing be set regarding this issue.

Even though I feel the charges and circumstances surrounding my suspension were unfounded, they were settled in court and I was NOT found guilty of the misdemeanor charges. I simply do not want the taxpayers to bear the brunt of those charges.

I wish you well and hope that your tenure as Governor for our great state is productive and significant. I am proud to say that I voted for you...

Best personal wishes,

Nicholas Nicholson
